

SASPAC LIBRARY

SASPAC has been a trusted name in education management since 1979 and is a leading developer of education management software.

The combination of ongoing research and development, together with our in-depth understanding of education management means that you can trust **SASPAC** to provide you and management with effective system.

SASPAC Library offers users a familiar interface with which to manage library material

The system either links to the **SASPAC** core database or allows users to import learner and educator information should the library not be linked to the main system.
